

3092 Signature Cab

Signature Series CAB OPTIONS

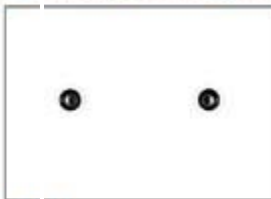

The signature series recessed panel cab design is elegantly crafted from natural oak hardwood and veneers available in several stains and solid color lacquer finishes. The look of this beautiful cab may be accented with the optional arched top panels or smoked mirror middle panels on the back or side wall. Other available wood species include cherry, walnut, birch and mahogany. Quarter inch laminated safety glass rear or side wall insert is optional. Several ceiling choices can enhance the beauty of this cab to suit your taste.
